**John 4:23-24**

Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks.

24) God is spirit, and his worshipers must worship in spirit and in truth."

**John 4:23-24**

It's who you are and the way you live that count before God.

Your worship must engage your spirit in the pursuit of truth.

That's the kind of people the Father is out looking for: those who are simply and honestly themselves before him in their worship. God is sheer being itself—Spirit. Those who worship him must do it out of their very being, their spirits, their true selves, in adoration."
